PLACES IN THE HEART | TANZANIA

### HEAD OVER HEELS

Retracing memories of a first African safari

**BY JENNY KAPLAN**

As the sun sets over the savanna, the golden light illuminates the silhouettes of acacia trees. It's a scene that has stayed with me ever since I first saw it in Tanzania. The first time I stepped out of the plane, I was struck by the beauty of the landscape. The air was warm and the sounds of the savanna were everywhere. It was a truly unforgettable experience.
